MEMORANDUM FOR: Chairman, SECOM

FROM:

SECOM Member

STAT

SUBJECT: FY 85 R&D and Procurement Candidate Projects

1. This memorandum is in response to a request from Chairman, SECOM, to provide comments concerning the list of SECOM Contract Projects for FY 1985 provided to the membership at the 6 March 1985 SECOM meeting.

2. The listing, as indicated, meets with my approval. It is my observation that the "Study of How Leaks Distort the Criminal Justice System in Graymail Cases" seems to be an obscure topic that does not have sufficient broad-based interest to be included, but this is only an observation and not a negative response to conducting such a study.
